

# *Forest City Regional School District Adopt-a-Tree Program*

The FCRSD removed 78 trees from our property during the renovation project. Our Board of Directors remain committed to planting a tree for each tree that was removed. The Adopt-a-Tree Program provides a unique and thoughtful way for members of our community to celebrate their Forester roots while making a meaningful contribution to our school community.

Honor a relative, loved one, friend, or alumni by dedicating a tree to the FCRSD in their name. This program allows you to donate a tree or to make a monetary donation towards the total cost of a tree. Those who donate a tree will receive a small plaque in recognition of the individual or group the tree was planted for. All donors will be commemorated on an Adopt-a-Tree plaque which will be displayed inside the high school lobby.

## *How You Can Participate*

All you have to do to participate is complete the attached form and return it with your donation to the Forest City Regional School District. The trees will be planted in the spring of 2019.

Once we have received your application form and donation, you will be contacted to make arrangements for the date, time, and location of the tree planting so that you may be present and will know exactly where the tree will be growing.

*Honor a relative, loved one, friend or alumni by  
dedicating a tree in their name!*

By signing below, I acknowledge that while I am requesting a specific type of tree to be planted, I understand that circumstances may necessitate that something different than requested, and ultimately, the decision remains with the Supervisor of Grounds and Facilities in the Forest City Regional School District. In addition, I acknowledge that I understand that the recognition will be housed on a plaque inside the school district and that no permanent marker or plaque will be installed on or around the tree I have sponsored.
