

Principal's Report

Forest City Regional High School

Ms. Cynthia Weiss

February 9, 2026

Outstanding Senior

Congratulations to Kyleigh Haser for being named the Outstanding Senior for the month of January.

CTC News

SkillsUSA, a nationwide workforce-development organization, held its Pennsylvania District 1 competition at Luzerne County Community College on Thursday, January 8th. Congratulations to the students that won medals in these areas:

Wedding Cake Decorating	2nd Place	Adeline Frisbie
Culinary Arts	2nd Place	Athenea Kasdaglis
Esthetics	2nd Place	Alyssa Ernst
Medical Terminology	2nd Place	Cheyenne Allred
Health Knowledge Bowl	3rd Place	Kylie Dito

Senator Brown Visit

Our Student Ambassadors recently met with Senator Brown and Dr. Gilroy on January 13 for an engaging roundtable discussion.

Students shared their perspectives on the issues that matter most to them and had the opportunity to ask thoughtful questions, which Senator Brown welcomed and addressed.

It was a meaningful conversation that highlighted student voice, leadership, and civic engagement.

Middle School Event

On January 16th, the Middle School celebrated students who met both our academic and behavioral expectations.

Students were able to choose between watching a movie in the library or participating in sports, games, and activities in the gym. Thank you to our middle school teachers for planning and carrying out a special afternoon to recognize and celebrate our students' success.

Counseling Office Happenings

Get Organized Month – January

Our school counselors have been promoting January as Get Organized Month, guiding students in using planners, setting goals, and strengthening organizational skills. These conversations are helping students start the New Year focused, confident, and ready to succeed.

Second Step Lessons: Our middle school students continue to build essential life skills through our ongoing SEL curriculum, with lessons held each Wednesday during Lunch & Learn. This evidence-based program focuses on emotion management, empathy, and responsible decision-making—helping students grow both academically and personally.

Groundhog Shadowing Experience -- Twenty-seven middle school students participated in a Groundhog Day Job Shadowing Experience at General Dynamics, coordinated by the Scranton Chamber of Commerce. This career exploration opportunity allowed students to learn about career paths, and experience a professional work environment aligned with their interests through the Smart Futures platform.

Enrollment as of **February 2, 2026.**

Grade 7 – 45
Grade 8 – 57
Grade 9 – 63
Grade 10 – 48
Grade 11 – 58
Grade 12 – 47

Total Enrollment:
318

Blood Drive

On January 28, 2026, the Forest City Regional High School held a blood drive.

The potential to save 51 lives was achieved with the 32 Foresters that stepped up and donated.

In three years the Forest City School has held 6 drives collecting 199 units, with a total of 242 donations. This is proof that Foresters have heart.
