

NOTES FROM THE PRINCIPAL

The 2025 - 2026 School Year is upon us! We are off to a great start and are settling into routines. Some exciting happenings so far this year include:

- ★ **Exotic Animal Adventures** - On Thursday, August 28, 2025 Forester students were delighted to have the Exotic Animal Adventure show visit FCRES. Students, faculty, and staff were able to see, and sometimes touch, different species of animals such as snakes and rabbits. Thank you to the FCR PTO for sponsoring this fun show!
- ★ **PBIS Bash** - On Friday, September 5, 2025 we rolled out the red carpet for students to celebrate the successful completion of expectations lessons. Students who showed they were Ready, Respectful, and Responsible were treated to a movie on the big screen. We are so proud of our Foresters!
- ★ **Mobile Ag Lab** - During the week of September 29th through October 3rd, students and staff had the opportunity to visit the Mobile Ag Lab and participate in hands-on experiments such as the DNA of a Banana, Glue from Milk, and Garden Grow. This fun, educational experience is made possible thanks to the generous donations from Susquehanna County Farm Bureau and the County Commissioner's office.
