**CRITERIA**

All applications can be requested from the Trust or from the student's school guidance office. The Roy W. Piper Charitable Trust will accept applications by mail, addressed to: P.O. Box 460, Tunkhannock, Pennsylvania 18657. Only fully completed, hard copy applications will be accepted. Incomplete applications may, in the discretion of the Scholarship Administrators, not be considered. Electronic submissions will not be accepted.

The following criteria apply to Scholarships which will be awarded for the Academic Year 2025-2026, which will be administered in a fair and impartial manner, without discrimination in favor of, or against, any applicant or class of applicants for any reason except for the financial qualification discussed below. No restrictions or limitations in the scholarship selection process will be based on race, color, national origin, religion, gender, age, disability or sexual orientation of an applicant.

1. No scholarship will be awarded to a student who was or is related by blood or marriage to Roy W. Piper, or to any of the Trustees, or to any of the Scholarship Administrators, or to any replacements for them. A disqualifying relationship would include any children or other issue of a trustee or Scholarship Administrator, or of Roy W. Piper, or to any brother or sister of Roy W. Piper, a Trustee or a Scholarship Administrator, or any of their issue, whether of the whole blood, or half blood, or any adoptive or foster children in such relationship.
2. Scholarship Administrators may award more than one scholarship in any year to students at, or graduates from, the same high school.
3. As constituted, scholarships are to be awarded to students who wish to matriculate at:
  - a) Keystone College; or its successor
  - b) An accredited, secondary or post-secondary military-related school, college or university; and

The scholarship will be renewed on an annual basis for up to four years, so long as the recipient continues to meet the qualifications established. A renewed scholarship shall be considered to be the scholarship for that year. If the criteria are not met, the scholarship will be terminated,

8. The amount of the scholarship award shall be in the discretion of the Scholarship Administrators. The scholarship is provided on an annually renewable basis, not in excess of the following, as charged by the recipient's academic institution: tuition, academic/enrollment-related fees, and on-campus only room and board, to include campus meal plan (commuter or non-commuter). Fees for books, supplies, parking, off-campus housing and board and or expenses, and memberships will not be considered. It is the recipient's responsibility to correctly report on their tax return if they have used any of those funds for non-qualified expenses.

The scholarship is in excess of any other amounts awarded to the applicant by the college, university or school including merit-based scholarships and grants or awards not required to be repaid by the applicant, provided that the payment for such items, other than tuition, shall only be awarded if the granting of such payments do not cause the award to be considered taxable to the Trust.

9. Applications will be accepted and considered from applicants who have matriculated at a qualifying institution and who are otherwise qualified.
10. The amount of the scholarship award will be based on a combination of factors evidenced by a completed application, including educational excellence, community involvement, extra-curricular activities, merit and financial need. The amount is determined after the college or university has awarded need-based and merit scholarships, and after federal and state entitlements and community awards have been applied; provided that income of a parent or guardian whose identity or location cannot be determined, or the income of a parent who refuses to participate in paying educational expenses, will not be considered.
11. - c) Each student who is determined by the Scholarship Administration to be a finalist in the selection process shall be required to submit copies of signed federal income tax returns for the two fiscal years immediately preceding the date of the application from the applicant and the applicant's

parent or parents or legal guardians, and from any person who has legal obligation to provide financial support to the applicant, with Social Security Numbers blacked out, whether or not such person resides in the same home as the applicant. All social security numbers shall be blacked out.

  - b) A copy of the semester/term invoice displaying school's name and address, student's name, tuition, academic enrollment, related fees, on-campus only room and board and/or related fees, and/or commuter/non-commuter meal plan, and,
  - c) It is the scholarship recipient's responsibility to be sure the above items are received by the Trust following the end of one semester and prior to the start of the next semester.
18. Amounts of the scholarship payments to recipients will not be determined until the recipient provides an invoice from the school or academic institution showing the balance remaining to be paid after application of other scholarships and other awards, to include, but not limited to, one-time or 1<sup>st</sup> year community or other awards. Awards or credits required to be repaid by the student shall not reduce the amount of this scholarship.

The academic institution shall agree in advance to refund the scholarship funds to the extent that they are not used for the stated purpose of the scholarship.

21. Only signed, hard copies of such grade reports will be accepted; electronically transmitted reports are not acceptable.
22. The Scholarship Administrators shall be entitled to consider circumstances, such as illness or family emergency, which might have contributed to a failure to meet the academic qualifications.
23. If any scholarship recipient is determined not to have met the qualifications (academic or good citizenship), during the preceding year, for the renewal of a scholarship, or for the final year of the scholarship, the Scholarship Administrators shall recommend to the Trustees of the Trust to seek reimbursement from the recipient and the recipient shall repay the same to the Trust. The recipient will sign an agreement to that effect at the time of granting the scholarship.
24. Each scholarship recipient shall cause the school or academic institution which he or she attends to report, on or prior to May 30<sup>th</sup> of each year, on the recipient's continuing enrollment and the academic status and GPA for the preceding year.
25.   - c) An agreement from the new institution (available from the Trust) to reimburse funds paid pursuant to the scholarship, to which the scholarship recipient becomes unentitled
